## AN-URIC

The Newest Discovery in Chemistry

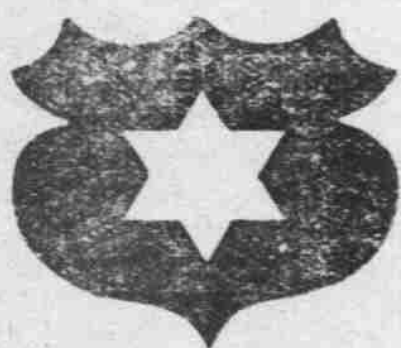

This is a recent discovery of Doctor Pierce, who is head of the Invalid's Hotel and Surgical Institute at Buffalo, N. Y. Experiments at Dr. Pierce's hospital for several years proved that there is no other eliminator of uric acid that can be compared to it. For those easily recognized symptoms of inflammation—as backache, scalding urine and frequent urination, as well as sediment in the urine, or if uric acid in the blood has caused rheumatism it is simply wonderful how surely "An-uric" acts. The best of results are always obtained in cases of acute rheumatism in the joints, in gravel and gout, and invariably the pains and stiffness which so frequently and persistently accompany the disease rapidly disappear. Go to your nearest drug store and

simply ask for a 50-cent package of "An-uric" manufactured by Dr. Pierce or even write Dr. Pierce for a free sample. If you suspect kidney or bladder trouble, send him a sample of your urine and describe symptoms. Dr. Pierce's chemist will examine it, then Dr. Pierce will report to you without fee or charge. Note:—"An-uric" is thirty-three times more active than lithia in eliminating uric acid, and is harmless but reliable chemical compound that may be safely given to children, but should be used only by grown-ups who actually wish to restore their kidneys to perfect health, by conscientiously using one box—or more in extreme cases—as "An-uric" (thanks to Doctor Pierce's achievement) is by far the most perfect kidney and bladder corrector obtainable.—Adv.

## COL. NASH WILL NOT BE A CANDIDATE

To the Public:

Under no circumstances will I be a candidate for mayor of the city of Ocala at the coming December election.

Thanking my friends who signed the petition which appeared in Tuesday edition of the Ocala Evening Star, I beg to remain,

Very respectfully,  
Geo. A. Nash.

Ocala, September 14.

Messrs. Harry Peter, Ed Bennett, Joseph Bell, Bob Sanders, George Garrett of Baltimore, Harley and Grady Reynolds and three small lads went fishing yesterday in North Prairie, out in the Big Scrub, where they are many small lakes filled with big fish. The party had fine luck. Mr. Ed Bennett had an unusual experience, catching a four and a three-pound trout on a Heddon minnow at one cast with rod and reel. Judge Warner and one or two others have had similar experiences, but they are rare.

The Haycraft Millinery Company will in a few days open a branch establishment in Inverness, which will be in charge of Miss Mary Seymour, who is one of Ocala's most up to date trimmers. Dr. R. T. Weaver and Miss Ethel Haycraft will be with Miss Seymour for a few days to get the business under way.

The elegant lake side home of Mr. Chas. Rheinauer, which has been in the course of construction for some weeks, at North Lake Weir, is receiving the finishing touches and is most artistic and attractive. It is of bungalow design with spacious open porches and screened sleeping porches and deep broad windows giving magnificent views from every portion of the house. Mr. Rheinauer is to be congratulated upon the splendid selection of his location and house design.

Mr. William Mock, Jr., is in the city for a few days' visit with his parents on North Orange street.

General Roseborough, commanding the Florida Division U. C. V., of Alachua county, is in the city this afternoon consulting with Adjutant Ayer of camp No. 56, U. C. V., and Adjutant D. Niel Ferguson of Ocala camp S. C. V., on matters concerning the respective organizations.

## Both Legs Lifted.

A young officer rather new to his work was drilling a squad of recruits and gave the word of command, "Lift the right leg." One of the soldiers by mistake lifted his left leg, so that it joined closely to the right leg of his neighbor.

"Good gracious," exclaimed the astonished officer, "that fool has lifted both legs!"—Chicago News.

## The Real Sufferer.

## Yes, She Will.

"I cannot say 'Yes,' Harold, but I shall always be a sis." "Sister to me? No, you won't." "Yes, Harold. I accepted your brother last night."—Lehigh Burr.

## WHAT OCALA WANTS

A Statement from One of Our Well-Known Citizens

Stop right here—this is the proof you've been seeking. Mr. Ashley, a well-known Ocala citizen, gladly states his opinion of Doan's Kidney Pills for the benefit of his fellow townsmen. His story is one you can easily investigate. Read it. H. J. Ashley, prop., of the Ashley Sheet Metal Works, Ocala, says: "I used Doan's Kidney Pills, procured at Gerig's Drug Store, and found them to be just as represented. They soon relieved me of backache and disordered kidneys. I think if taken as directed, Doan's Kidney Pills, will cure most any ordinary case of kidney complaint and I don't hesitate giving my name praising them."

## AFLECK SHOP HAD TO ENLARGE

On account of the constantly increasing business of the Affleck Millinery Parlors, it has become necessary to enlarge its quarters over Havenston's store, and two large rooms have been secured in addition to those already in use. The fixtures in the show room have all been made a beautiful white to match the walls, while the green matting carries out the color scheme of the place—green and white. One of the front rooms is a display room, while the other is used for a work room occupied by the trimmers. Everything is being put in readiness for the annual fall opening which will shortly be announced.

## ADVERTISE IN THE STAR

## Sewing Circle With Much Whispering

Before the stork arrives there is much to talk about. The comfort of the expectant mother is the chief topic. And there is sure to be someone who has used or knows of that splendid external help, "Mother's Friend."

It is applied to the abdominal muscles, gently rubbed in and has a most pronounced effect as a lubricant. It soothes the network of nerves, enables the muscles to expand naturally, relieves strain on the ligaments and thus sets at ease any undue strain on the organs involved. And it does this with perfect safety. Expectant mothers thus go through the ordeal with comparative ease and comfort. Knowing mothers who have used "Mother's Friend" speak in glowing terms of the absence of morning sickness, absence of strain on the ligaments and a freedom from many other distresses.

You can get "Mother's Friend" at any drug store or they will gladly get it for you. Write today to Bradfield Regulator Co., 401 Lamar Bldg., Atlanta, Ga., for a highly instructive book of great value to all expectant mothers. It contains a valuable expectancy chart, rules on diet and is brimful of suggestions that all women will appreciate.
